**Admission will be \$10 per person per day or \$15 per person for a weekend pass.** I know parents usually pay to park at Jack Allen rather than pay admission, but with this being a high school tournament, we will be charging per person. We feel like our price of admission is fair and comparable to other high school tournaments across the state, and even cheaper than some. If your parents do have a problem with the price of admission, please tell them to contact me and not the Decatur City Council (this has happened in the past). This is not a city sponsored event so they do not set the prices for admission. We pay to rent the facilities.

Here are some other reminders:

**35 minute halves will be played**

**VB Tournament:**

**Since this is bracket play, tied matches will go straight to KFTM. The Championship match in each division will follow AHSAA overtime procedures (2 five minute golden goal overtime periods followed by KFTM).**

**The first team listed will be the home team and should wear dark (top team on the bracket). The home team should also provide 3 match balls.**

**Gates will open one hour prior to the first scheduled match on each day.**

**This is an AHSAA sanctioned event, and all yellow cards and red cards will be reported to the AHSAA.**

**\*Other than in the championship round, teams may be moved around in bracket play (consolation bracket) in order to avoid area match-ups.**
