

13th Annual Cullman JV Boys Invitational Feb 22-23, 2019 Weather Changes

This change involves limiting games to 25-minute halves with a 5-minute halftime, no championship games, and some serious time changes; however, this sacrifice will ensure all teams will be able to play their 3 games.

This weather is unbelievable. We, like many of you, are looking at this forecast and thinking "Our game field may not be available ALL SEASON if this forecast is accurate". I walked both our game field and Heritage Park and, unsurprisingly, both are drenched with no chance to recover for this weekend. So we will be **moving our entire tournament to our turf field (CHS Football Field)**.

Like I said, this will require a serious schedule change but will still guarantee all teams 3 games. I have included the new schedule below and have updated the Google Doc. I went ahead and attached it again. This will eliminate the championship games so **we will move to a 10-point scoring system** for this year's tournament.

6 points for a win
3 points for a loss
0 points for a loss
1 point for each goal scored (up to 3 per match)
1 point for a shutout

Tiebreakers:

Overall goal differential (up to +3 or -3 from each match)
Fewest goals allowed
Coin flip (since time is of the essence)
